## MEET TO CONSIDER COUNTY ROAD LAW

Highway Superintendents and Assistants Confer With Commissioners Regarding New Statute

COPIES OF LAW ARE RECEIVED

Probable Scheme of Paving Trunk Lines of County Under 3-Mile Law Will be Abandoned

A conference of assistant highway superintendents was held today with the county highway superintendent, Hal Green, and the county commissioners, to discuss informally the new county unit road law, which was passed by the last session of the general assembly, and copies of which have been received here.

The commissioners and county highway superintendents have been studying the law, which became effective with the signature of the governor because of an emergency clause, since official copies reached Rushville a few days ago. Local attorneys were invited to discuss the law and give their interpretations of various sections, at the conference today.

It was also regarded as probable that the commissioners would consider the advisability of applying the law here in case petitions are presented. It will rest with the commissioners which roads shall be improved first under the law because they are given sole authority to "locate, establish, widen, change, construct, reconstruct and improve, maintain and repair all public highways."

The talk is that the good roads advocates will abandon the scheme to build permanent highways over the main trunk lines of the county under the three-mile law, which is a very tedious process because under that law the township is the unit and perfect co-operation is necessary to get results. In the place of the three-mile road law, the new county unit road law will be used.

Until the passage of the new law, a plan of building permanent highways was all outlined and already has been partially utilized. The John F. Weir road in Noble township, on which bids will be received next Saturday, is an extension of the Capro road south of Rushville, which would be one link in the chain to build a cement highway to the Decatur county line. The John H. Powers road, the contract for which will also be awarded next Saturday, will be another link, running from the end of the brick pavement in North Main street to the Jackson township line. According to the old scheme, Jackson township would be expected to extend the road next year.

Many petitions have been prepared to carry these roads of a permanent character in every direction from Rushville, but it would be a tedious proceeding because each township would have to wait until the adjoining township had completed its share, and because of the demand for macadam and other new roads beside the trunk lines or main pikes, it was possible that some of these roads would be delayed more than anticipated because of the bonded indebtedness limit of four percent in each township.

One of the petitions that was to be filed next year under the three-mile road law was for the extension of the West Third street pavement west towards Arlington. This petition has been prepared but could not be filed this year because roads already ordered will exhaust the Rushville township road fund for this year. It is believed now that this petition will not be filed next year, but that the West Third street extension will be built under the county unit law. There is no certainty, however, what attitude the

## TO USE STATION AS PLANT

Manufacturers to Build Corn Turners in Pennsylvania Depot.

John F. Boyd and John Frazier, who invented and patented a corn turner, which was manufactured here last summer by the inventors and A. L. Stewart, will be made on a larger scale this season, it was stated today. Some machinery and other equipment have been purchased and will be installed in the old Pennsylvania freight and passenger station in West Second street, which will be converted into a manufacturing plant. The product was made in a business room in Main street last summer, but the business soon outgrew the capacity of the plant and many orders could not be filled.

## WHOLE STATE TO TAKE PART IN THE WELCOME

Return of 150th Field Artillery Will Make "Victory Celebration" For Hoosier Soldiers

EACH COUNTY REPRESENTED

(By United Press.)

Indianapolis, Ind., Mar. 22.—Every county in Indiana will join in the "Victory Day" celebration for returned Hoosier soldiers in May, it was announced today.

An executive committee consisting of membership from each of the 92 counties will aid in making arrangements for the home coming. The committeemen will be appointed within a few days by State Adjutant General Harry B. Smith. While the celebration will center around the 150th Field Artillery regiment of the Rainbow division which will return to the States soon, it will be for all Indiana fighters who were in the war.

Plans for the day were made yesterday at a conference in the office of Governor Goodrich, which was attended by representatives of the four Indiana cities from which the regiment was recruited, Indianapolis, Fort Wayne, Bloomington and Lafayette. Following the meeting a telegram was sent to Secretary of War Baker and Senators New and Watson, asking that this regiment be mustered out at Fort Benjamin Harrison. The Rainbow unit is expected to embark for the homeward trip April 19.

## DITCH-DIGGER IS INJURED BY CAVE-IN

Elmer Thorpe, Formerly of 139th Field Artillery, Is Caught by Falling Earth Today

INJURIES ARE NOT SERIOUS

Elmer Thorpe, formerly a member of the 139th Field Artillery, of which company B of this county was a unit, was injured this morning when a ditch was caved in on him near the Rushville Glove company's factory, corner of Julian and Third streets. Mr. Thorpe was in the ditch and had been warned to get out as it looked as if it was going to cave in. He did not take the warning, however, and was caught by the falling earth. The ditch caved in for a distance of about fifteen feet.

Mr. Thorpe was badly bruised about the stomach and limbs but otherwise was unhurt. He was taken to the office of Dr. E. I. Wooden for treatment and it is thought that the injury will not be very serious. Plans are being made to brace the remainder of the ditch as a protection to the workers.

STRIKE POSTPONED

London, Mar. 22.—The miners' strike, scheduled for today, which was to precipitate a sympathetic walkout has been postponed.

## HOLDS RECORD OF FASTEST RUNNER

Mr. and Mrs. J. E. Kamper of Manila Receive Word From Son, Private Herbert Kamper

RETURNED FROM OVERSEAS

Member of 22nd Battery of the First Anti-Aircraft Company Which Brought Down 11 Airplanes

Mr. and Mrs. J. E. Kamper of near Manila have received a very interesting letter from their son, Private Herbert E. Kamper, who is now stationed at Newport News, having arrived there from overseas. Private Kamper enlisted May 2, 1917 and received his training at Fort Terry, New York, and sailed from there for France. He served seven months on the battle fronts, being a member of the 22nd Battery of the 1st Anti-Aircraft company. Private Kamper held the record for being the fastest runner in his company, which brought down 11 airplanes while on the Verdun front.

The letter is given herewith: "I suppose you have received a note stating my return to the States. I don't know hardly how to start this letter as I haven't heard from home for so long. Nevertheless I received one written Dec. 25th. There was a few of the Xmas boxes waiting for the boys on our arrival but I failed to get mine. I suppose you received the postcard of the Ohio. I sent it the day we boarded it at Brest. We sure had a bad trip coming across. We went aboard the 17th, the day after she docked and helped coal her; then we pulled out the morning of the 20th. We started out in a storm that lasted five days, passed the Azores Islands on the 26th and traveled until the next day when we ran into another storm and had to go back to the islands to coal up again. We got in at the islands on the 1st day of March and left on the 4th, landing at Newport News on the 12th.

You can talk about a bunch of seasick lads; there sure was a bunch on that ship. I was very lucky and didn't get sick, but was scared some when the old ship began to rock about 35 degrees, and jump and toss around. On the 24th, my birthday, we were in the hardest part of the storm. I was on guard out in a carpenter's shop. They had just finished dinner and there were about eight tables out there. As the old ship did so much rocking and tossing around, it kept me busy dodging those tables for about an hour. It made me think of Charles Chaplin in the movies. There were lots of funny things happened even though I was scared. It sure was worst than dodging the German shells.

Well I slept in an iron bed last night and it really had springs although the mattress was made of straw. It was about the first bed that I had seen for 17 months, that I could call a bed.

We went down just before bedtime and had a good bath and had our clothes sterilized. Well mother I could write a hundred pages but as I have told you before, if I wrote everything I knew I wouldn't have anything to tell when I came home. I am expecting to be home by April the first for good."

BRINGS 2253 TROOPS BACK

New York, Mar. 22.—With 2,253 troops, the transport Louisville arrived here today from Brest. Ten officers and 666 men came home sick or wounded. Also aboard were twenty-seven wives of sailors and a few naval officers and men and forty-five nurses. Organizations included four detachments, totaling thirteen officers and 825 men of the 148th infantry, 37th division (Ohio national guard), for Camp Dix, Upton, Lewis and Bowie and surgical units Nos. 100, 101, and 103.

## REVIVAL ENDS AT M. E. CHURCH SUNDAY

Evangelist's Final Sermon Will be "What Folks Will Say When This Meeting is Over"

TOMORROW CROWNING DAY

A. W. Miller Preaches One of Most Forceful and Interesting Sermons on "Knocking"

The services at the St. Paul's M. E. church tomorrow will close the revival services which have been held for the past three weeks. At the morning church services, the Evangelist A. W. Miller will preach on "Lost and Found" and at the evening service, on "What Folks Will Say When This Meeting is Over." The attendance at the meetings has continued to grow with each service and tomorrow is expected to be the crowning day of the entire series.

Last evening, Evangelist Miller preached one of the most forceful as well as interesting sermons that he has delivered during his stay here. The church was well filled to hear the lawyer-evangelist in his message on "Knocking."

Mr. Miller showed that Christ knocks at men's hearts through the seasons of the year; through nature, through the church bells, which say "Come to God." He knocks through the chimes as they play "Rock of Ages" and "Jesus Lover of my Soul." He knocks through the bible which lies as a silent witness against you as you pass it by unread. To the blacksmith He speaks and with sledge hammer beats at his heart, for entrance; to the teacher He says "I am the great teacher"; to the lawyer He says "I am the great advocate."

"Education, music, society, politics, all are permitted to enter your heart, but allow Christ to stand outside and knock and will not permit him to enter."

Mr. Miller then gave God's side and read Luke 13:25. "When once the master of the house is risen up, and hath shut to the door, and ye begin to stand without and to knock at the door, saying Lord, Lord open unto us: and He shall answer nay, nay unto you, I know you not whence ye are."

## BURLESON REMOVES POSTAL OFFICIALS

Says They Failed to Carry Out His Orders as Director of Telegraph and Phone Systems

HE APPOINTS NEW MANAGER

Washington, Mar. 22.—Postmaster General Burleson today removed Clarence MacKay, president; W. Cook, general council; William Deegan, secretary; and the board of directors of the MacKay company, operating the postal telegraph and telephone system. He appointed A. Adams to supersede them in the management.

In relieving the MacKay group from connection with their company, Burleson asserted that they "had failed to carry out the orders and instructions of the postmaster general and have conducted themselves before the public and with the operating forces in such a manner as to disadvantageously affect the government."

Adam who assumed charge of the operation of the system today, is president of the Kansas City Home Telephone company.

O'LEARY JURY STILL OUT

New York, Mar. 22.—The jury was still out today in the trial of Jeremiah O'Leary on a charge of obstructing the government in the war with Germany by seditious utterances.

## FRENCH MUTINY REPORTED

Two Regiments Said to Have Refused to Fight Bolsheviks

(By United Press.)

Paris, Mar. 22.—Reports reached both socialists and Russian representatives here today that two French regiments in the Odessa region mutinied when they were ordered to attack the Bolsheviks. The French troops were said to have sent delegates to their officers declaring they "were ready to fight for France but not to fight our brothers." Reminded this was mutiny and the penalty death, the soldiers were reported to have said they recognized it but their decision could not be altered.

## INJURIES TO SCHOOL BOY MAY PROVE FATAL

Edward Brown, Age 13, Struck by Car Driven by Wilbur Warner in Front of Circleville School.

SKULL MAY BE FRACTURED

Edward, 13-year-old son of Mr. and Mrs. Clifford Brown of North Sexton street, was seriously injured while returning home from school yesterday afternoon in Circleville when a car driven by Wilbur Warner struck him. The boy was knocked down and run over by the machine. Both arms were broken, his legs were badly bruised and it was thought today that his skull had been fractured. He was put under the doctor's care as soon as possible. It is thought that he was injured internally and it is feared that the injuries may prove fatal.

The boy was playing with other children around the Rushville township school back standing in front of the Circleville school house. He ran out from behind the back directly in front of the machine and the driver had no chance to avoid hitting him. The condition of his clothes indicated he was dragged by the car.

The Brown family moved to Rushville about a month ago and the boy continued attending the Circleville school.

## LOAN WORKERS ARE BACK FROM CHICAGO

Delegation of Six From Here Reports Enthusiastic Conference of 7th Federal Reserve District

COUNTY CHAIRMAN REMAINS

The majority of the county liberty loan workers who attended the seventh federal reserve district conference in Chicago yesterday, were back home today and reported that the meeting was an unqualified success. The local delegation participated in the morning conference at eleven o'clock, attended the luncheon at 12:30 and the meeting of Indiana workers in the afternoon. The crowning event of the conference was the banquet at 6:30 o'clock last night, which was attended by approximately 3,000 loan workers from the seventh district. Carter Glass, secretary of the treasury, spoke at the banquet. All of the day's sessions were held at the La Salle hotel.

Earl H. Payne, county chairman, remained in Chicago today, but the remainder of those attending from here arrived home this morning. In addition to Mr. Payne, the county was represented by Judge Will M. Sparks, Rushville township director of sales; T. M. Green, director of sales outside Rushville; Theodore L. Heeb, secretary of the county committee; Mrs. A. L. Stewart, county director of the woman's committee; Miss Frances Frazee, publicity chairman of woman's committee.

## WILL BE IMPOTENT AS MILITARY UNIT

Germans Will be Rendered Powerless by Military, Naval and Aerial Terms of Peace

REVEALED FOR FIRST TIME

Army Limited to 100,000, Navy to 15,000 and Military Air Force to 100 Seaplanes.

(By United Press.)

Paris, Mar. 22.—The league of nations commission, President Wilson presiding, met today to consider amendments to the covenant proposed by neutrals during the last two days.

It was stated authoritatively that the American senate will have to accept or reject the entire preliminary peace treaty, including the league covenant.

Separation of the covenant and the treaty as cabled from the United States, would be impossible under the program now being followed for drawing up the pact. The covenant will be an integral part of the pact, it was learned from a reliable source.

Consequently, it was pointed out, the senate apparently must ratify the treaty without amendment to the covenant or will have to refer the entire document back to President Wilson and state department. If such a situation develops it naturally will mean a delay in the exchange of ratification among the various governments and postpone establishment of peace negotiations.

Paris, Mar. 22.—The extent to which Germany will be rendered impotent as a military power by the impending peace terms was fully revealed for the first time today in information obtained by the United Press from authoritative sources.

The military, naval and aerial terms of the treaty as finally agreed to by the supreme war council are, according to best information obtainable, as follows:

Military.

Germany is to be allowed a maximum of seven divisions of infantry and three of cavalry, totaling 100,000 men, of which officers must not exceed 4,000.

Officers employed in the war ministry of the various states must not exceed 33, while civilians employed by the war administration will be limited to 10 percent of the schedule for 1913.

The great staff war school and similar institutions will be abolished. One military school will be permitted for each branch of the service and will be used solely for training

## The "Do It Now" Kind of Advertising

The newspaper, carrying the fresh, instant news of the hour, bristles with activity.

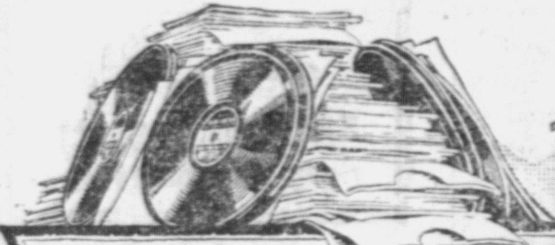

From the front page to back page it is aglow with life and movement.

The appeals of its local advertisers to the public are full of incentive to "do it now."

The national advertisers whose goods are advertised in the newspaper benefit by this atmosphere of quick action.

That is one reason why newspaper advertising is such an unqualified success.

## The Vocalion

A modern piece of furniture that you may be proud to own. A musical instrument that far surpasses in tone quality anything that you have ever heard. A demonstration will convince you.

**JOHNSON'S Drug Store**

We do not send Records out on approval. When you buy a record here you get a new one.

## FANCY SILK DRESSES

## GUARD HEALTH OF RHINE DOUGHBOYS

While Americans Are on Rhine Inhabitants of The Occupied Territory Must Stay Healthy

IN ORDER TO PROTECT BOYS

Local Physicians in Each District Report Immediately Every Case of Sickness

By WEBB MILLER  
(U. P. Staff Correspondent.)

With the Americans on the Rhine, Feb. 20. (By Mail).—While American troops are on the Rhine, the inhabitants of the occupied region must stay healthy, or at least observe unusual sanitary and health precautions. This solicitude does not arise from any undue regard for the health of the Germans, but is an added protection to the American troops.

For that reason a special department of the civil affairs department is keeping an eye on the German sanitary arrangement and health supervision. This department is in charge of Lieut-Colonel Benschel, an experienced health department official.

By orders of the American authorities, the local public physicians in each district of the occupied area report immediately every case of sickness to the health department. The American commander in each town also sends in a report of each case of illness among the civilian population. In case of a contagious disease, Colonel Benschel at once investigates in order to halt any spread of the disease, which might affect troops quartered in the town.

In the little town of Linz five cases of typhoid were reported. An investigation showed that the infection started from an unsanitary well, which was ordered destroyed, thereby stopping what threatened to become an epidemic before a single soldier was infected. Several other incipient epidemics have been halted by prompt investigation and strict measures.

The American health department has ordered the local German authorities to test the water of every well from which American soldiers derive water supplies once each month and submit the results of the tests to Third Army headquarters. In case impurities are found, the well is shut off.

In his office in Coblenz, Colonel Benschel keeps a series of charts for each disease with each case of sickness, marked with a pin. When the number of pins begins to increase at any one point, an investigation is started. So far not a single case is reported of an American soldier becoming infected from civilians.

The strictness with which the sanitary regulations are enforced is shown by the fact that of 219 arrests of civilians throughout the occupied area during the first two months of occupation, forty-two were for disobeying sanitary orders.

## EXCEPTIONS HEARD TODAY

Exceptions to the final report of Frank J. Hall, administrator of the estate of James Wells, who was killed by a C. I. & W. train at the Spencer street crossing here in August, 1916, were heard by Judge Will M. Sparks in the circuit court today. The exceptions were filed by the widow.

## HOW RHEUMATISM BEGINS

The excruciating agonies of rheumatism are usually the result of failure of the kidneys to expel poisons from the system. If the irritation of these urine acid crystals is allowed to continue, incurable bladder or kidney disease may result. Attend to it at once. Don't resort to temporary relief. The sick kidneys must be restored to health by the use of some sterling remedy which will prevent a return of the disease.

Get some **GOLD MEDAL Haarlem Oil Capsules** immediately. They have brought back the joys of life to countless thousands of sufferers from rheumatism, lame back, lumbago, sciatica, gall stones, gravel and other affections of the kidneys, liver, stomach, bladder and allied organs.

They will attack the poisons at once, clear out the kidneys and urinary tract and the soothing healing oils and herbs will restore the inflamed tissues and organs to normal health.

All stores, druggists, and for **GOLD MEDAL**, and be sure the name **GOLD MEDAL** is on the box. Three sizes, at all good druggists.

for armed ships, 5,000 tons, for light cruisers, 800 tons for destroyers and 200 tons for torpedo boats. Except when ships are lost no battleships or cruisers may be replaced until twenty years old. Destroyers and torpedo boats must be 15 years old. The personnel of the navy will be limited to 15,000, including 1,500 officers.

Warships now being constructed will be broken up under supervision of the allies. All auxiliary cruisers will be disarmed and returned to the status of merchant ships. All submarines will be surrendered. Construction of submarines for either war or commercial purposes is forbidden.

Fortifications commanding access to the Baltic will be demolished.

Aerial

No military air force will be allowed except 100 seaplanes, which will be used for destruction of mines, until October 1.

No airdome will be permitted within 93 miles of the western or eastern frontier or within 93 miles of the Italian or Czechoslovak boundaries.

The allies retain the right of free aerial passages over any German territory until completely evacuated of the allied troops. All military aviation material will be surrendered.

Days Pickings

Mrs. Guy Abercrombie is ill at her home North Perkins street of laryngitis.

Tom Younger is confined to his home in North Arthur street with a severe cold.

Mrs. Will Meredith is suffering with the influenza at her home in North Morgan street.

Mrs. Walter Hubbard is recovering from an attack of the influenza at her home in Second street.

John Kelly is ill at his home in North Sexton street suffering from an attack of acute indigestion.

Mrs. John W. Davis of Milroy is reported to be seriously ill, but her condition today was said to be slightly improved.

Albert Bright of this city is suffering with the influenza at Shelbyville, according to word received here. He was there on a visit when he fell sick.

William Lewark was taken suddenly ill Thursday while down in town and was removed to his home in North Sexton street where he has been seriously ill since.

There will be Sunday school at the United Brethren church tomorrow morning at 9:30 and preaching services at 10:30 a. m. and 7:30 p. m. by the pastor Emma Miller.

The flag pole which for the past two years has stood in Main street of Milroy was removed yesterday. It was feared by citizens that the pole would damage nearby buildings as it was in danger of being blown over, having stood there for two years. A part of the pole will be saved as a souvenir of the war.

News of Colored Citizens

The Modern Priscilla club met this week at the residence of Mrs. E. W. S. Hammonds. After needlework was laid aside, part of the missionary work planned was to make a garment at Wilberforce University, being educated by the State Federation of Colored Women's clubs of which this club is a part. The first lesson in French was also given by Mrs. Hammonds who was of French descent.

FATHER LYONS TO SPEAK

Rev. Father Lyons of this city will be one of the speakers at a K. of C. meeting Sunday night which will be held at the St. Mary's school hall in Greensburg. The meeting being held in the interest of the K. of C. membership drive and is expected to be well attended.

HEAVY INFLUENZA TOLL

Jasper, Ind., Mar. 22.—Three members of the family of George Greive, of near Celestine, eight miles east of Jasper, the mother and two sons died this week of influenza, while the father and five other children are ill of the malady.

A shoal of herrings is often five or six miles in length and two or three in breadth.

The City of GOODRICH Akron, Ohio

## A Queer Old Bird is The Pelican

Its bill holds more than its bellican.

But at that, its heart is bigger than its bill. It is the only bird which shares its food with other and weaker fowl.

So the queer old pelican looms up handsome in Goodrich's eyes—eyes which see beauty that is more than skin deep.

Goodrich, it is true, makes Silvertown Cords the handsomest tires—the very Beau Brummel tires of smart cars.

Yet if clumsiness and ugliness would add one mile to their service, Goodrich would make them clumsy and ugly as the queer old pelican.

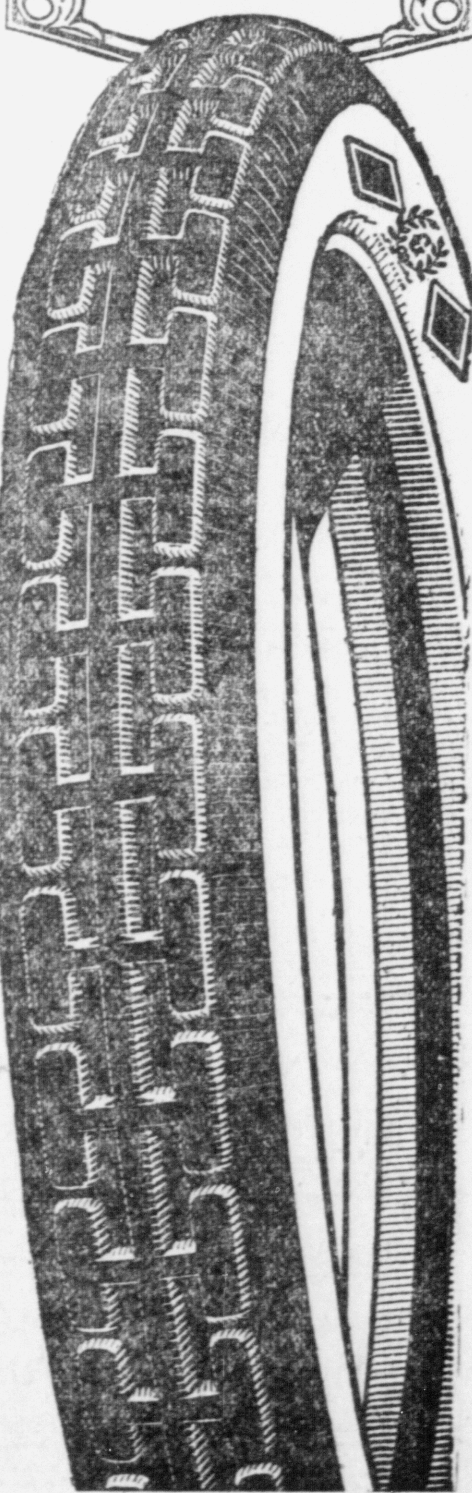

"Quality First," rules in the manufacture of Silvertowns; and they render quality service first and last.

Give your automobile the obvious grace and elegance of the Tires with the Twin Red Diamonds on the sidewall. Their mileage is sure.

Buy Goodrich Tires from a Dealer

## WILL BE IMPOTENT AS MILITARY UNIT

Continued from Page One

officers. All other organizations indulging in military exercise will be prohibited.

All fortification works within fifty miles of the Rhine will be destroyed. Construction of new work in this region is forbidden. Retention of the existing fortifications on the eastern and southern frontiers is permitted.

Stocks of ammunition will be stringently rationed. Depots where they are held must be made known to the allies to reserve the right to limit the number of munition workers. All war materials above the requirement fixed will be surrendered to the allies by whom it will be destroyed. Exports and imports of war material, including asphyxiation gas, armed cars, tanks, etc. are forbidden in the future.

Naval.

The German fleet will be limited to six battleships of the Deutschland type, six light cruisers, 12 destroyers and 12 torpedo boats.

To replenish the fleet units, new vessels will not exceed 10,000 tons.

## A Friend Recommended Them

A person often does more good than he realizes when he tells a suffering friend how to get well. J. N. Tohill, clerk Lottie Hotel, Evansville, Ind., writes: "For weeks I suffered constantly with pains in the muscles of my thigh. I was treated by the doctor for rheumatism but found no relief. Upon recommendation of a friend, I tried Foley Kidney Pills and began to get relief almost immediately." Good for backache, rheumatic pains, stiff joints, sore muscles. F. B. Johnson. —(Adv.)

**Beans to The Rescue.**

Beans plenty of them at prices much lower than last year—are ready to replace higher priced foods in America's meals. Only last year the cartoonists were having fun with the humble bean, for it, too, was skyrocketing in price, but today it's down—way down below last year's prices, and there's joy in other places than Boston.

Reports on bean prices from the bureau of markets, department of agriculture, show that beans have dropped 3 to 7 cents a pound at wholesale since March last year, and in California growers are saying that they will not sell if beans go any lower at shipping points. Plentiful supplies are reported in producing sections, and retailers are already selling beans at reduced prices in many cities.

If folks are really going to swat Old Man H. C. L. with low-priced beans, officials say, it will result in the use of more cats-up and chili sauce—which means more tomatoes and peppers, although some prefer 'em with molasses and other with vinegar. Of course, "Boston baked" will come into its own.

It is always possible to arouse a

discussion over baked beans, for some like them fairly dry, while other like them moist; some like molasses in the and some do not. Each family should try different kinds and then stick to the one it likes best.

**Amputations Due to War.**

According to official advices, the total of "major amputation cases" in the United States forces to date is 3,034, of which 2,308 are arm and leg cases; and of these approximately 600 are arm amputations, and 1,708 are leg amputations. The remaining 726 are hands, feet, and two or more fingers. Not all of these men require special training to enable them to make a living, the Federal Board for Vocational Education points out; in fact the percentage is smaller than one would imagine. A lawyer, doctor, draftsman, bookkeeper, dentist, stenographer, office man or salesman is not necessarily affected unfavorably in making a living by reason of have lost a leg; but the loss of an arm may be a very serious matter.

Those who in the main require re-education on account of leg or arm amputation are farmers, artisans whose trade required great activity, such as carpenters, teamsters, structural iron workers and the like. There are no hard and fast rules, and cannot be, for each case must be judged on its own merits, as for instance, that of a professional violinist, who, having lost a finger joint of his left hand, found his occupation utterly gone and had to learn to do something else for a living.

The congressional committee which drafts the revenue law evidently had no kids of their own and no sympathy with other people's kids. They laid a tax upon athletic goods without regard to the fact that 70 percent of baseball bats, catchers' masks and mitts and athletic goods of every description are bought by boys under eighteen.

Americans have always been noted for their generosity. If there is any barley flour left in this country, and it were proposed to ship it to the Germans, there would not be a dissenting voice.

When your son comes home from the army, don't on any account offer him corned beef. Presumably he will be grateful for it, but you won't in the least like the form his gratitude takes.

It is understood that to "watch the clock" is a bad habit. But we have not observed that the public displays any reluctance to watch

**FINE FOR RHEUMATISM!****Mustero Loosens Up Those Stiff Joints—Drives Out Pain**

You'll know why thousands use Mustero once you experience the glad relief it gives.

Get a jar at once from the nearest drug store. It is a clean, white ointment, made with the oil of mustard. Better than a mustard plaster and does not blister. Brings ease and comfort while it is being rubbed on!

Mustero is recommended by many doctors and nurses. Millions of jars are used annually for bronchitis, croup, stiff neck, asthma, neuralgia, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia). 30c and 60c jars; hospital size \$2.50

**Sap and Salt**

By BERT MOSES

Women talk about each other; men about themselves.

Try this: Find out what you don't want and then leave it alone.

What is finer than the joy you get out of honest work for an honest pay?

A great man is one who lives miles and miles away. Small men live close by.

Hez Heek says: "Standards are sometimes raised by raising hell, and then again they ain't."

Camouflage is the art of packing rabbit meat in tin cans and labeling them "boneless chicken."

There is always this consolation in sickness: When you get well again you appreciate good health at its full value.

the clocks on the fashionable hostility.

Repeat to yourself twenty consecutive times, "The good man loves to pay his income tax." The effect may possibly be to place you in a more resigned frame of mind.

One of the strongest arguments in favor of the city home vegetables garden movement is that it provides the right kind of exercise and recreation for business people whose life is spent largely in doors. A short time each day spent in the cultivation of a garden has a tendency to give the mind relaxation and the muscles healthful exercise.

A hoe and a rake cost less than a golf outfit, and a ninehole garden course can be laid in any average city back yard.

The trouble with a great many American people, it is claimed, is that they have been so busy with other things that they have forgotten how to play. They rush to business in the morning and in the evening they drag their brain-fagged bodies home to seek rest in still more strenuous amusements. A well-kept garden is a playground for old and young alike, and happy is the man who spades his own back yard and plants therein a garden.

**MRS. CECIL LINDER IS DEAD****Expires of Double Pneumonia West of Sexton Friday Night**

Mrs. Cecil Linder, age 29 years, died at her home on the Harry Mannus farm west of Sexton, last evening of double pneumonia. She is survived by her husband; two daughters, Catherine and Thelma; one son, Edmund; one brother, Clarence Rollen, who is with the American Expeditionary Forces in France, and her father, Dan Rollen. She is also survived by four half-sisters.

The funeral services will be held Monday morning at 10:30 o'clock at the Sexton's Christian church and burial will take place in Knights-town. The Rev. G. I. Hoover will have charge of the services.

**CELEBRATE ANNIVERSARY.**

Berkeley, Cal., Mar. 22—The 51 anniversary of the founding of the University of California was celebrated today by alumni meetings in all parts of the world. "Hands-round-the-world" banquets were served in American cities as well as by alumni with the A. E. F. in Coblenz, Germany, Paris, London and Vladivostok.

Canada's pulp and paper exports lead all manufacturing industries, except that of explosives.

# New Lumber Yard At MAYS

### VICTORY DAY IS TO BE CELEBRATED HERE

No Appeal Will be Made For Money as First Presbyterians Take Care of Their Apportionment

**PART OF NEW ERA CAMPAIGN**

Victory day will be observed in special services at the First Presbyterian church tomorrow. This is the day set apart for the raising of the first year's apportionment of the two hundred million dollars fund on a five year basis to be used for the pushing of Presbyterianism throughout the world, in connection with the New Era movement.

No appeal will be made for money in the local church tomorrow, as the local New Era cabinet, consisting of Frank Reynolds, chairman; S. L. Trabue, vice-chairman; Ralph Payne, group leader chairman; B. O. Simpson, publicity, secretary; J. L. Cowing, stewardship leader; Mrs. Jesse Bennett, secretary benevolent education; and Mrs. Chas Liddle, chairman woman's work, have reported the apportionment for this church already accounted for here.

On account of this, and the fact that the reports coming in to Dr. Ira Lambert, who represents the national and state committee, in this part of Indiana, indicate that the fund will go far over the amount asked for, the services here will be in the nature of a celebration, rather than an appeal.

The churches from over this district are asked to telegraph their amounts pledged to Rev. Lambert, Presbyterian chairman, on Sunday night, the result will be watched with much interest by the local church.

**PARADE CLOSING SHOW**

The first co-operative automobile show ever conducted by Rushville dealers closed yesterday evening at five o'clock when the cars on exhibit were taken from the Modern Appliance building and driven in a parade over the streets of the city. Thirty new cars were in the parade.

**She Grows Nervous at Nightfall**

More dreaded than an alarm of fire by night is the hoarse, brassy cough of croup to the nervous mother who fears this terror of childhood. Why worry, when a few timely doses of Foley's Honey and Tar will ward off croup and clear the throat of choking phlegm. It will give you confidence to face nightfall without fear of croup. Mrs. Ben Meyerink, Clymer, N. Y., says: "Our little girl would surely have had croup but Foley's Honey and Tar stopped it at once." F. B. Johnson.—(Adv.)

NEW SALEM, IND.

## Janesville Tandem Disk Harrow

THE Budlong Harrow is the only harrow we know of in which the bearings do not cramp while the machine is working. This freedom in the bearings means light draft and flexibility in the whole harrow. This allows the Budlong to make use, in a natural way, of all of its penetrating qualities to thoroughly pulverize the soil under the most trying conditions. The rear harrow is built like a bridge and no manner of hard work will ever force this harrow to buckle in the middle.

### Its Backbone Is as Rigid as a Concrete Arch

The trailer steadily holds its place back of the Budlong, whether used on side hills or on the level, on account of the way it is attached to the front harrow.

The same material used in all Janesville machines is found in the Janesville Tandem. Made in sizes from four to ten feet with sixteen-inch blades.

We looked them all over and felt our trade and local conditions would be best served by this Janesville model. Compare notes with us before you buy.

##### New Salem

Miss Lula Brown and Orville Ponder were the Sunday evening guests of Mr. and Mrs. Bert West.

The Misses Dorothy Logan, Florence Carney, Mildred Wilson, Margaret Fisher and Leland Hunt were the guests of Rema May Norris, Tuesday evening.

Mrs. Harriet Bever will move in with Mrs. Laura Colvin in the near future. Mr. and Mrs. Henry Miller who formerly lived at Napoleon, will move in the property vacated by Mrs. Bever.

Miss Eva Mercer and Earl Vogle were the Sunday evening guests of Mr. and Mrs. Herbert Holden.

The illustrated art lecture given by Mr. Damron at the auditorium Friday evening was very well attended. The Daggy concert company will give the next number Saturday night. This concert company comes highly recommended and all are urged to be present.

Mr. and Mrs. Charles Wilson delightfully entertained Mrs. Margaret Morton, Miss Ruby Snyder, Miss Marie Seegars and Mr. and Mrs. Donald Wilson and son Deloris Friday evening with a six o'clock dinner.

Corporal F. O. Spacey, who was formerly stationed at Quantico, Va., visited friends and relatives here Tuesday and Wednesday. For the

### SAVED BY A FAITHFUL WIFE

Suffered Thirty Years With Stomach Trouble and Hemorrhages of the Bowels.

The Story of a Wonderful Recovery

There is hardly any one who does not experience some trouble with the stomach. It is so common that we frequently pay little or no attention to it. Yet, the stomach is very easily upset, and catarrhal inflammation of the mucous lining develops, grows, worse—the pain and distress is incessant and the truth dawns that we have chronic stomach trouble.

The case of Mr. Louis Young, 205 Merrimac St., Rochester, N. Y., is typical. He writes: "I suffered for thirty years with chronic bowel trouble, stomach trouble and hemorrhages of the bowels. We bought a bottle of Peruna and I took it faithfully. I began to feel better. My wife persuaded me to continue and I did for some time as directed. Now I am a well man." Mr. Young's experience is not unusual.

If you suffer from catarrh in any form, whether of the head, stomach, bowels or any other part of the body, try Peruna. It may be just what you need. Peruna comes in either liquid or tablet form and is sold everywhere. Your dealer has it or will get it for you. Ask for Dr. Hartman's World-Famous Peruna Tonic and Insist upon having it. If you want your health accept nothing else.

All the sick and suffering are invited to write The Peruna Company, Dept. 78, Columbus, Ohio, for Dr. Hartman's Health Book. The book is free and may help you. Ask your dealer for a Peruna Almanac.

The D. A. R. will meet next Thursday afternoon, March 27, at the home of Emma Casady, 532 North Morgan street.

The Rebekahs will give a social at the I. O. O. F. hall Monday evening. All Odd Fellows and their families are welcome.

Mr. and Mrs. John Dewester of near this city had as their dinner guests yesterday Mr. and Mrs. Charles Inlow of Homer.

Mr. and Mrs. Claude Spillman were delightedly surprised Thursday evening by a number of their friends at their new home near Milroy. A delicious pitch-in supper was

served to the guests and the remainder of the evening was enjoyed with music and a social time.

Mrs. J. C. Sexton will be hostess for the Monday Afternoon Five Hundred club Monday afternoon at her home, corner of Fifth and Main streets.

The members of the Mahoning Council, No. 36, met last evening in their hall for degree work, after which a delicious pitch-in supper was served and the remainder of the evening was spent socially.

The members of the Sexton C. W. B. M. entertained their families last evening at the home of Mr. and Mrs. Fred Plessinger with a pitch-in supper. About thirty guests were present to enjoy the evening socially and with music.

Mr. and Mrs. Clarence Lord, of near Dunreith delightfully entertained a number of their friends with a delicious two course supper Thursday evening. Those present were Mr. and Mrs. Wayne Addison of near Mays, Mr. and Mrs. Fred Reddick and daughter of Raleigh, Mr. and Mrs. Clyde Owens and Mr. and Mrs. Walter Lord of near Dunreith. The evening was spent socially.

Mrs. John H. Frazee entertained the members of the Happy-Go-Lucky club and several guests yesterday afternoon at her home in North Harrison street with a two course luncheon. The rooms were beautifully decorated with spring flowers and the dining table was centered with a large cluster of yellow jonquils. Covers were laid for the members of the club and the following guests: Mrs. Helm Woodward and son of Cincinnati, Mrs. Will Amos, Miss Helen Norris, Mrs. Albert Allen, Mrs. George C. Wyatt, Mrs. Earl C. Moore, Mrs. L. E. Brown, Mrs. Walter E. Frazee, Mrs. Charles Offutt and son and Mrs. Benjamin Humes and son. The remainder of the afternoon was spent over various kinds of needlework.

More than six hundred people enjoyed the dance at the Modern Appliance building in West Third street last night, which was the closing event of the first co-operative automobile show ever held here. A

big majority of those attending the dance enjoyed it as dancers and the remainder as spectators. The big floor was crowded all evening, and the immense crowd in attendance, together with the spirited music of the five-piece orchestra from Franklin, made the event a crowning success and one of the most popular ever held here. The decorations for the show were left in the building until after the dance. Scores of visitors were here from cities all over this section of the state, and every part of Rush county was represented by the guests. The official figures on the attendance reveal that three hundred and fifty persons enjoyed the dancing, and that more than two hundred and fifty were spectators.

It was announced last night that another dance would be held at the same place April 1st.

**BETTER ORGANIZATION OF IND. WOMEN URGED**

Women's Franchise League of the Twelfth District Holds a Convention Today.

MRS. C. G. BOWERS PRESIDES

Fort Wayne, Mar. 22—Greater organization of Indiana women was to be urged at the convention of the Women's Franchise League of the twelfth district here today.

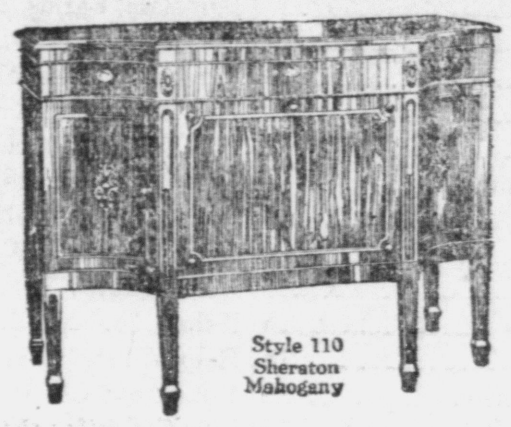

Mrs. Claude G. Bowers, district chairman presided.

Satisfaction with the results of similar meetings being held throughout the state was expressed by speakers. State officers were to attend the meeting. The theme of the meeting was that the women should work in more harmony at least until they fully enfranchised.

The seventy-first general assembly was complimented on its attitude toward woman suffrage in passing the presidential suffrage bill and in initiating the proposed constitutional amendment granting women full suffrage.

Request for Payment of Red Cross War Fund Pledges  
The Red Cross headquarters announced today that there were a number of unpaid Red Cross War fund pledges of last year both in the town and county and they would appreciate it very much if those who have not paid their full amount would give it their immediate attention.

**STOLEN CAR FOUND**

A five passenger automobile belonging to George B. Moore, Jr., clerk of the circuit court, was stolen last night and found about an hour later by Mr. Moore's son, Otto Moore, at the corner of Third and Perkins streets. It had been left standing on the west side of the court house. The automobile evidently had been taken by joyriders.

**Amusements**

"Julio" at the Mystic

"Julio" is the offering at the Mystic theatre tonight. Wolfville Western Comedies in two acts are advertised and a two reel Selig comedy, which is guaranteed to be one big laugh is also on the program.

Gladys Leslie at Princess

"The Beloved Imposter," featuring Gladys Leslie, is being shown at the Princess theatre tonight. "The Village Chestnut," a Mack Sennett comedy, is also on the program. Monday Ethel Clayton in "The Mystery Girl," and Tuesday Dorothy Dalton in "Quicksands," will be the attractions.

## Thousands of Cases of Dyspepsia---

BUT ONLY ONE

## PEPSINCO

PEPSINCO is the only indigestion remedy that we know—and we know lots of so called dyspepsia cures—that will almost infallibly relieve an attack of indigestion, food distress or gas. We could almost make claims that would appear impossible, so seldom does this PEP-SINCO fail. But why not consider the recommendation of thousands of people who have used PEP-SINCO, on the basis of their belief in it. Try it yourself; we are sure that the suggestion will appeal to you—you who suffer with indigestion or stomach faults—try PEP-SINCO to-day.

Ask your druggist—he sells and recommends Pepsinco.

## HOW WEAK, NERVOUS WOMEN QUICKLY GAIN VIGOROUS HEALTH AND STRONG NERVES

7 A DAY FOR 7 DAYS

A Vigorous, Healthy Body. Sparkling Eyes and Health-Colored Checks Come in Two Weeks, Says Discoverer of Bio-feren.

World's Grandest Health Builder

Costs Nothing Unless It Gives to Women the Buoyant Health They Long For.

It is safe to say that right here in this big city are tens of thousands of weak, nervous, run-down, depressed women who in two weeks' time could make themselves so healthy, so attractive and so keen-minded that they would compel the admiration of all their friends.

The vital health building elements that these despondent women lack are all plentifully supplied in Bio-feren.

If you are ambitious, crave success in life, want to have a healthy, vigorous body, clear skin and eyes that show no dullness, make up your mind to get a package of Bio-feren right away.

It costs but little and you can get original package at any druggist anywhere.

Take two tablets after each meal and one at bedtime—seven a day for seven days—then one after meals till all are gone. Then if you don't feel twice as good, look twice as attractive and feel twice as strong as before you started your money is waiting for you. It belongs to you, for the discoverer of Bio-feren doesn't want one penny of it unless it fills all claims.

Note to Physicians: There is no secret about the formula of Bio-feren. It is printed on every package. Here it is: Lecithin; Calcium Glycero-phosphate; Iron Peptonate; Manganese Peptonate; Ext. Nux Vomica; Pepsin; Ben-tan; Phenolphthalein; Oleoresin Capsicum; Kolo.

### STORY SOLDIER TOLD FOUND TO BE UNTRUE

Investigation Discloses John W. Deerin of Noble Township Was Not at Camp McClellan, Ala.

**KILLED IN ACTION IN AUGUST**

A few weeks ago an ad appeared in the Daily Republican asking for the soldier who reported that John W. Deerin of Noble township, who was reported as killed in action last August, was in a hospital at Camp McClellan, Alabama. Walter Shockley of West Third street was found to be the one who asserted that he had seen Deerin in the hospital when he was confined there with the measles.

As soon as this was reported, an effort was made on the part of relatives and friends to ascertain the truth of the statement. Today a reply was received from a registered letter written to the Y. M. C. A. secretary who stated that he had made a careful investigation at the camp and hospital and John W. Deerin was not there at the present time and there was no record of his having been there. A letter was also returned to a friend this week which had been forwarded to Deerin before the news of his death was received. The letter was unopened and on the outside were these words, "Killed in action in August." It follows then that it must be an established fact that Deerin was killed at this time. No motive can be found for anyone to return and tell such a story as was told by Shockley.

**MEET TO CONSIDER  
COUNTY ROAD LAW**

Continued from Page One  
commissioners will take towards the new law, but it is known that they are very favorable to permanent road improvement. It is pointed out that the sum available under the county unit law this year, \$480,000, which is two percent of the appraised value of the property of the county, would build this road. Next year twice as much will be available if property valuations for

### If You Need a New Heating System, for You To Save \$10 to \$30 Requires Immediate Attention

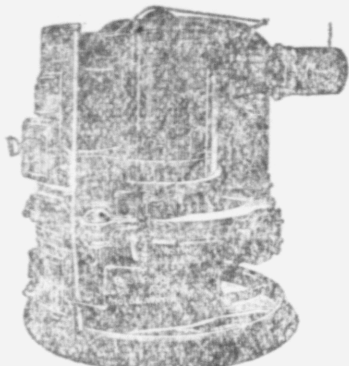

We know that every Round Oak Moistair Heating System sold, means a satisfied customer—one who invariably goes out of his way to tell his neighbors and friends of the super-service rendered. It is the best advertising in the World.

We are selling this Lifetime Heating System at the lowest possible price. With your co-operation during the 10-day period, of which

#### 5 GOOD REASONS FOR IMMEDIATE ACTION

1. An immediate money saving over the full price.
2. Attractive payment terms.
3. Expert personal supervision of the work.
4. More time for installation, provided contract is signed on or before March 29.
5. You solve your heating problem for the next generation.

#### 5 Star Points of Round Oak Supremacy

- ★ **HEALTH** Patented, automatic humidifier, keeps the family more healthy. Prevents furniture from drying out.
- ★ **COMFORT** Circulates moist air, permanently free from dust, gas and smoke.
- ★ **ECONOMY** Long, indirect fire travel forces most powerful radiation of heat; deeper fire pot, improved efficient hot blast, and over-size combustion chamber combined; guarantee most perfect combustion with maximum heat from minimum fuel.
- ★ **CONVENIENCE** Single later conveniently located, controls entire system. Large scumblers ash pit fitted with sprinker, prevents dust. Easy to operate. Burns all fuels.
- ★ **DURABILITY** All iron is d. daily, tested chemically and physically. The tens of thousands in use, many for more than thirty years, prove conclusively Round Oak Super-Service.

#### The Last Day is March 29th

we have been able to offer a saving of 5% on the cost of the heating system installed complete. By buying heating systems, registers and fittings in quantity, by reducing selling cost by having enough work ahead to keep our men busy ALL the time, you save us at least 5%, which means from \$10 to \$30 on the job, according to the size. There is also an added fuel saving each and every year in the purchase of a

#### ROUND OAK Moistair Heating System

The Only Heating System That Automatically Ventilates and Humidifies

What it saves in fuel cost, because of its improved construction, extra weight and patented features, will pay back in a very few years, the difference in price between this and a medium priced system, which could not possibly suit you.

As soon as installed you will increase the value of your property more than the amount invested in its purchase.

We want to tell you all about this heating system. We have a large illustrated 9x12 Moistair book that describes it fully. It's free to you. Ask, write or 'phone for it.

Better still, come down to the store and let us explain from the system itself, its distinctive advantages, also outline to you wherein it will serve you best.

taxation purposes are doubled, as expected.

One of the main points under discussion at the conference today was the relation of the new county law to the old road-mile road law. Attorneys are wondering which will apply since the new act specifically states that sections 63 to 81, inclusive, of the three-mile road law are not repealed, leaving this act practically in effect and making a duplication in the road laws.

The county unit law sets out in the first section that county commissioners of each county are authorized and empowered to locate, establish, widen, change construct, reconstruct and improve, maintain and repair all public highways, bridges and culverts under the supervision of the state highway commission or federal highway commission if approved by such commissions.

Section two of the law provides that after passage of the act all public highways, bridges or culverts in the counties of the state shall be under the supervision, management and control of the board of commissioners. The duties previously performed by the township trustees are to be performed by the commissioners and all unexpended money of the township road fund or levies therefor shall be immediately certified by the township trustees to the county auditor and transferred by him to the free gravel road maintenance and repair fund.

Under the provisions of the new law, whenever a petition signed by fifty or more freeholders and voters of the county praying that any public highway or highways shall be laid out, established, changed or widened and improved by grading, draining, resurfacing or paving with gravel, stone, brick or concrete, bitumen or other road paving materials, or that any public highway or highways or any part of any public highway already established be graded, drained or improved, the commissioners must give notice by publication of the petition and the auditor will set a date for the hearing of the same.

On the day of hearing any taxpayer may object to the sufficiency of the petition and the petitioners have the right to amend the petition. But if the petition is found to be sufficient, the commissioners then order the petition spread of record and refer the matter to the county engineer. The law provides that the commissioners shall act as viewers of the proposed road or improvement and determine whether the improvement would be a public utility and the necessity for constructing bridges and the width of the highway and also determine on the material to be used in paving.

Within ten days after the commissioners file their report on the proposed county highway, any taxpayer of the county affected may

remunstrate against the improvement. In trying the remonstrance, if more than one appears, the commissioners shall consolidate and try them as one. The usual appeal to the circuit court is provided for.

Under the three-mile road law, the county establishes the road levy and pays the bonded indebtedness, but the levy is credited to each individual township, while under the new law all of the townships of the county pay for the highways. The law provides that roads established under this act shall become a part of the county highway system and be kept in repair under the laws now governing their upkeep.

The new law fixes the bonded indebtedness at 2 per cent of the total assessed valuation.

## MEET TO CONSIDER COUNTY ROAD LAW

Highway Superintendent and Assistants Confer With Commissioners Regarding New Statute

### COPIES OF LAW ARE RECEIVED

Probable Scheme of Paving Trunk Lines of County Under 3-Mile Law Will be Abandoned

A conference of assistant highway superintendents was held today with the county highway superintendent, Hal Green, and the county commissioners, to discuss informally the new county unit road law, which was passed by the last session of the general assembly, and copies of which have been received here.

The commissioners and county highway superintendents have been studying the law, which became effective with the signature of the governor because of an emergency clause, since official copies reached Rushville a few days ago. Local attorneys were invited to discuss the law and give their interpretations of various sections, at the conference today.

It was also regarded as probable that the commissioners would consider the advisability of applying the law here in case petitions are presented. It will rest with the commissioners which roads shall be improved first under the law because they are given sole authority to "locate, establish, widen, change, construct, reconstruct and improve, maintain and repair all public highways."

The talk is that the good roads advocates will abandon the scheme to build permanent highways over the main trunk lines of the county under the three-mile law, which is a very tedious process because under that law the township is the unit and perfect co-operation is necessary to get results. In the place of the three-mile road law, the new county unit road law will be used.

Until the passage of the new law, a plan of building permanent highways was all outlined and already has been partially utilized. The John F. Weir road in Noble township, on which bids will be received next Saturday, is an extension of the Capron road south of Rushville, which would be one link in the chain to build a cement highway to the Decatur county line. The John H. Powers road, the contract for which will also be awarded next Saturday, will be another link, running from the end of the brick pavement in North Main street to the Jackson township line. According to the old scheme, Jackson township would be expected to extend the road next year.

Many petitions have been prepared to carry these roads of a permanent character in every direction from Rushville, but it would be a tedious proceeding because each township would have to wait until the adjoining township had completed its share, and because of the demand for macadam and other new roads beside the trunk lines or main pikes, it was possible that some of these roads would be delayed more than anticipated because of the bonded indebtedness limit of four percent in each township.

One of the petitions that was to be filed next year under the three-mile road law was for the extension of the West Third street pavement west towards Arlington. This petition has been prepared but could not be filed this year because road is already ordered will exhaust the Rushville township road fund for this year. It is believed now that this petition will not be filed next year, but that the West Third street extension will be built under the county unit law. There is no certainty, however, what attitude the

## TO USE STATION AS PLANT

Manufacturers to Build Corn Turners in Pennsylvania Depot.

John F. Boyd and John Frazier, who invented and patented a corn turner, which was manufactured here last summer by the inventors and A. L. Stewart, will be made on a larger scale this season, it was stated today. Some machinery and other equipment have been purchased and will be installed in the old Pennsylvania freight and passenger station in West Second street, which will be converted into a manufacturing plant. The product was made in a business room in Main street last summer, but the business soon outgrew the capacity of the plant and many orders could not be filled.

## WHOLE STATE TO TAKE PART IN THE WELCOME

Return of 150th Field Artillery Will Make "Victory Celebration" For Hoosier Soldiers

### EACH COUNTY REPRESENTED

(By United Press.)

Indianapolis, Ind., Mar. 22.—Every county in Indiana will join in the "Victory Day" celebration for returned Hoosier soldiers in May, it was announced today.

An executive committee consisting of membership from each of the 92 counties will aid in making arrangements for the home coming. The committeemen will be appointed within a few days by State Adjutant General Harry B. Smith. While the celebration will center around the 150th Field Artillery regiment of the Rainbow division which will return to the States soon, it will be for all Indiana fighters who were in the war.

Plans for the day were made yesterday at a conference in the office of Governor Goodrich, which was attended by representatives of the four Indiana cities from which the regiment was recruited, Indianapolis, Fort Wayne, Bloomington and Lafayette. Following the meeting a telegram was sent to Secretary of War Baker and Senators New and Watson, asking that this regiment be mustered out at Fort Benjamin Harrison. The Rainbow unit is expected to embark for the homeward trip April 19.

## DITCH-DIGGER IS INJURED BY CAVE-IN

Elmer Thorpe, Formerly of 139th Field Artillery, is Caught by Falling Earth Today

### INJURIES ARE NOT SERIOUS

Elmer Thorpe, formerly a member of the 139th Field Artillery, of which company B of this county was a unit, was injured this morning when a ditch caved in on him near the Rushville Glove company's factory, corner of Julian and Third streets. Mr. Thorpe was in the ditch and had been warned to get out as it looked as if it was going to cave in. He did not take the warning, however, and was caught by the falling earth. The ditch caved in for a distance of about fifteen feet.

Mr. Thorpe was badly bruised about the stomach and limbs but otherwise was unhurt. He was taken to the office of Dr. E. L. Wooden for treatment and it is thought that the injury will not be very serious. Plans are being made to brace the remainder of the ditch as a protection to the workers.

### STRIKE POSTPONED

London, Mar. 22.—The miners' strike, scheduled for today, which was to precipitate a sympathetic walkout has been postponed.

## HOLDS RECORD OF FASTEST RUNNER

Mr. and Mrs. J. E. Kamper of Manila Receive Word From Son, Private Herbert Kamper

### RETURNED FROM OVERSEAS

Member of 22nd Battery of the First Anti-Aircraft Company Which Brought Down 11 Airplanes

Mr. and Mrs. J. E. Kamper of near Manila have received a very interesting letter from their son, Private Herbert E. Kamper, who is now stationed at Newport News, having arrived there from overseas. Private Kamper enlisted May 2, 1917 and received his training at Fort Terry, New York, and sailed from there for France. He served seven months on the battle front, being a member of the 22nd Battery of the 1st Anti-Aircraft company. Private Kamper held the record for being the fastest runner in his company, which brought down 11 airplanes while on the Verdun front.

The letter is given herewith: "I suppose you have received a note stating my return to the States. I don't know hardly how to start this letter as I haven't heard from home for so long. Nevertheless I received one written Dec. 25th. There was a few of the Xmas boxes waiting for the boys on our arrival but I failed to get mine. I suppose you received the postcard of the Ohio. I sent it the day we boarded it at Brest. We sure had a bad trip coming across. We went aboard the 17th, the day after she docked and helped coal her, then we pulled out the morning of the 20th. We started out in a storm that lasted five days, passed the Azores Islands on the 26th and traveled until the next day when we ran into another storm and had to go back to the islands to coal up again. We got in at the islands on the 1st day of March and left on the 4th, landing at Newport News on the 12th.

You can talk about a bunch of seasick lads; there sure was a bunch on that ship. I was very lucky and didn't get sick, but was scared some when the old ship began to rock about 35 degrees, and jump and toss around. On the 24th, my birthday, we were in the hardest part of the storm. I was on guard out in a carpenter's shop. They had just finished dinner and there were about eight tables out there. As the old ship did so much rocking and tossing around, it kept me busy dodging those tables for about an hour. It made me think of Charles Chaplin the movies. There were lots of funny things happened even though I was scared. It sure was worst than dodging the German shells.

Well I slept in an iron bed last night and it really had springs although the mattress was made of straw. It was about the first bed that I had seen for 17 months, that I could call a bed.

We went down just before bedtime and had a good bath and had our clothes sterilized. Well mother I could write a hundred pages but as I have told you before, if I wrote everything I knew I wouldn't have anything to tell when I came home. I am expecting to be home by April the first for good."

### BRINGS 2253 TROOPS BACK

New York, Mar. 22.—With 2,253 troops, the transport Louisville arrived here today from Brest. Ten officers and 666 men came home sick or wounded. Also aboard were twenty-seven wives of sailors and a few naval officers and men and forty-five nurses. Organizations included four detachments, totaling thirteen officers and 825 men of the 149th infantry, 37th division (Ohio national guard) for Camp Dix, Upton, Lewis and Bowie, and surgical units Nos. 109, 101, and 103.

## REVIVAL ENDS AT M. E. CHURCH SUNDAY

Evangelist's Final Sermon Will be "What Folks Will Say When This Meeting is Over"

### TOMORROW CROWNING DAY

A. W. Miller Preaches One of Most Forceful and Interesting Sermons on "Knocking"

The services at the St. Paul's M. E. church tomorrow will close the revival services which have been held for the past three weeks. At the morning church services, the Evangelist A. W. Miller will preach on "Lost and Found" and at the evening service, on "What Folks Will Say When This Meeting is Over." The attendance at the meetings has continued to grow with each service and tomorrow is expected to be the crowning day of the entire series.

Last evening, Evangelist Miller preached one of the most forceful as well as interesting sermons that he has delivered during his stay here. The church was well filled to hear the lawyer-evangelist in his message on "Knocking."

Mr. Miller showed that Christ knocks at men's hearts through the seasons of the year; through nature, through the church bells, which say "come to God"; He knocks through the chimneys as they play "Rock of Ages" and "Jesus Lover of my Soul." He knocks through the bible which lies as a silent witness against you as you pass it by unread. To the blacksmith He speaks and with sledge hammer beats at his heart, for entrance; to the teacher He says "I am the great teacher"; to the lawyer He says "I am the great advocate."

"Education, music, society, politics, all are permitted to enter your heart, but allow Christ to stand outside and knock and will not permit him to enter."

Mr. Miller then gave God's side and read Luke 13:25. "When once the master of the house is risen up, and hath shut to the door, and ye begin to stand without and to knock at the door, saying Lord, Lord open unto us: and He shall answer nay, nay unto you, I know you not whence ye are."

## BURLESON REMOVES POSTAL OFFICIALS

Says They Failed to Carry Out His Orders as Director of Telegraph and Phone Systems

### HE APPOINTS NEW MANAGER

Washington, Mar. 22.—Postmaster General Burleson today removed Clarence MacKay, president; W. Cook, general council; William Deegan, secretary; and the board of directors of the MacKay company, operating the postal telegraph and telephone system. He appointed A. Adams to supersede them in the management.

In relieving the MacKay group from connection with their company, Burleson asserted that they "had failed to carry out the orders and instructions of the postmaster general and have conducted themselves before the public and with the operating forces in such a manner as to disadvantageously affect the government."

Adam who assumed charge of the operation of the system today, is president of the Kansas City Home Telephone company.

### O'LEARY JURY STILL OUT

New York, Mar. 22.—The jury was still out today in the trial of Jeremiah O'Leary on a charge of obstructing the government in the war with Germany by seditious utterances.

## FRENCH MUTINY REPORTED

Two Regiments Said to Have Refused to Fight Bolsheviks

(By United Press.)

Paris, Mar. 22.—Reports reached both socialists and Russian representatives here today that two French regiments in the Odessa region mutinied when they were ordered to attack the Bolsheviks. The French troops were said to have sent delegates to their officers declaring they "were ready to fight for France but not to fight our brothers." Reminded this was mutiny and the penalty death, the soldiers were reported to have said they recognized it but their decision could not be altered.

## INJURIES TO SCHOOL BOY MAY PROVE FATAL

Edward Brown, Age 13, Struck by Car Driven by Wilbur Warner in Front of Circleville School.

### SKULL MAY BE FRACTURED

Edward, 13-year-old son of Mr. and Mrs. Clifford Brown of North Sexton street, was seriously injured while returning home from school yesterday afternoon in Circleville when a car driven by Wilbur Warner struck him. The boy was knocked down and run over by the machine. Both arms were broken, his legs were badly bruised and it was thought today that his skull had been fractured. He was put under the doctor's care as soon as possible. It is thought that he was injured internally and it is feared that the injuries may prove fatal.

The boy was playing with other children around the Rushville township school back standing in front of the Circleville school house. He ran out from behind the back directly in front of the machine and the driver had no chance to avoid hitting him. The condition of his clothes indicated he was dragged by the car.

The Brown family moved to Rushville about a month ago and the boy continued attending the Circleville school.

## LOAN WORKERS ARE BACK FROM CHICAGO

Delegation of Six From Here Reports Enthusiastic Conference of 7th Federal Reserve District

### COUNTY CHAIRMAN REMAINS

The majority of the county liberty loan workers who attended the seventh federal reserve district conference in Chicago yesterday, were back home today and reported that the meeting was an unqualified success. The local delegation participated in the morning conference at eleven o'clock, attended the luncheon at 12:30 and the meeting of Indiana workers in the afternoon. The crowning event of the conference was the banquet at 6:30 o'clock last night, which was attended by approximately 3,000 loan workers from the seventh district. Carter Glass, secretary of the treasury, spoke at the banquet. All of the day's sessions were held at the La Salle hotel.

Earl H. Payne, county chairman, remained in Chicago today, but the remainder of those attending from here arrived home this morning. In addition to Mr. Payne, the county was represented by Judge Will M. Sparks, Rushville township director of sales; T. M. Green, director of sales outside Rushville; Theodore L. Heeb, secretary of the county committee; Mrs. A. L. Stewart, county director of the woman's committee; Miss Frances Frazee, publicity chairman of woman's committee.

## WILL BE IMPOTENT AS MILITARY UNIT

Germans Will be Rendered Powerless by Military, Naval and Aerial Terms of Peace

### REVEALED FOR FIRST TIME

Army Limited to 100,000, Navy to 15,000 and Military Air Force to 100 Seaplanes.

(By United Press.)

Paris, Mar. 22.—The league of nations commission, President Wilson presiding, met today to consider amendments to the covenant proposed by neutrals during the last two days.

It was stated authoritatively that the American senate will have to accept or reject the entire preliminary peace treaty, including the league covenant.

"Separation" of the covenant and the treaty as cabled from the United States, would be impossible under the program now being followed for drawing up the pact. The covenant will be an integral part of the pact, it was learned from a reliable source.

Consequently, it was pointed out, the senate apparently must ratify the treaty without amendment to the covenant or will have to refer the entire document back to President Wilson and state department. If such a situation develops it naturally will mean a delay in the exchange of ratification among the various governments and postpone establishment of peace negotiations.

Paris, Mar. 22.—The extent to which Germany will be rendered impotent as a military power by the impending peace terms was fully revealed for the first time today in information obtained by the United Press from authoritative sources.

The military, naval and aerial terms of the treaty as finally agreed to by the supreme war council are, according to best information obtainable, as follows:

### Military.

Germany is to be allowed a maximum of seven divisions of infantry and three of cavalry, totaling 100,000 men, of which officers must not exceed 4,000.

Officers employed in the war ministry of the various states must not exceed 33, while civilians employed by the war administration will be limited to 10 percent of the schedule for 1913.

The great staff war school and similar institutions will be abolished.

One military school will be permitted for each branch of the service and will be used solely for training

Continued on Page Three

## The "Do It Now" Kind of Advertising

The newspaper, carrying the fresh, instant news of the hour, bristles with activity.

From the front page to back page it is aglow with life and movement.

The appeals of its local advertisers to the public are full of incentive to "do it now."

The national advertisers whose goods are advertised in the newspaper benefit by this atmosphere of quick action.

That is one reason why newspaper advertising is such an unqualified success.

## GUARD HEALTH OF RHINE DOUGHBOYS

While Americans Are on Rhine Inhabitants of The Occupied Territory Must Stay Healthy

IN ORDER TO PROTECT BOYS

Local Physicians in Each District Report Immediately Every Case of Sickness

By WEBB MELLER  
(U. S. Staff Correspondent.)

With the Americans on the Rhine, Feb. 20. (By Mail).—While American troops are on the Rhine, the inhabitants of the occupied region must stay healthy, or at least observe unusual sanitary and health precautions. This solicitude does not arise from any undue regard for the health of the Germans, but is an added protection to the American troops.

For that reason a special department of the civil affairs department is keeping an eye on the German sanitary arrangement and health supervision. This department is in charge of Lient-Colonel Bensei, an experienced health department official.

By orders of the American authorities, the local public physicians in each district of the occupied area report immediately every case of sickness to the health department. The American commander in each town also sends in a report of each case of illness among the civilian population. In case of a contagious disease, Colonel Bensei at once investigates in order to halt any spread of the disease, which might affect troops quartered in the town.

In the little town of Linz five cases of typhoid were reported. An investigation showed that the infection started from an unsanitary well, which was ordered destroyed, thereby stopping what threatened to become an epidemic before a single soldier was infected. Several other incipient epidemics have been halted by prompt investigation and strict measures.

The American health department has ordered the local German authorities to test the water of every well from which American soldiers derive water supplies once each month and submit the results of the tests to Third Army headquarters. In case impurities are found, the well is shut off.

In his office in Coblenz, Colonel Bensei keeps a series of charts for each disease with each case of sickness marked with a pin. When the number of pins begins to increase at any one point, an investigation is started. So far not a single case is reported of an American soldier becoming infected from civilians.

The strictness with which the sanitary regulations are enforced is shown by the fact that of 219 arrests of civilians throughout the occupied area during the first two months of occupation, forty-two were for disobeying sanitary orders.

## EXCEPTIONS HEARD TODAY

Exceptions to the final report of Frank J. Hall, administrator of the estate of James Wells, who was killed by a C. I. & W. train at the Spencer street crossing here in August, 1916, were heard by Judge Will M. Sparks in the circuit court today. The exceptions were filed by the widow.

## HOW RHEUMATISM BEGINS

The excruciating agonies of rheumatism are usually the result of acids of the kidneys to expel poisons from the system. If the irritation of these uric acid crystals is allowed to continue, incurable bladder or kidney disease may result. Attend to it at once. Don't resort to temporary relief. The sick kidneys must be restored to health by the use of some sterling remedy which will prevent a return of the disease. Get some **GOLD MEDAL HARRIS' Oil Capsules** immediately. They have brought back the joys of life to countless thousands of sufferers from rheumatism, lame back, lumbago, sciatica, gall stones, gravel and other affections of the kidneys, liver, stomach, bladder and allied organs. They will attack the poisons at once, clear out the kidneys and urinary tract, and the soothing healing oils and herbs will restore the inflamed tissues and organs to normal health. All others are imitations. Ask for **GOLD MEDAL** and be sure the name **GOLD MEDAL** is on the box. Three stars at all good druggists.

## WILL BE IMPOTENT AS MILITARY UNIT

Continued from Page One  
officers. All other organizations indulging in military exercise will be prohibited.

All fortification works within fifty miles of the Rhine will be destroyed. Construction of new work in this region is forbidden. Retention of the existing fortifications on the eastern and southern frontiers is permitted.

Stocks of ammunition will be stringently rationed. Depots where they are held must be made known to the allies to reserve the right to limit the number of munition workers. All war materials above the requirement fixed will be surrendered to the allies by whom it will be destroyed. Exports and imports of war material, including asphyxiation gas, armed cars, tanks, etc., are forbidden in the future.

### Naval.

The German fleet will be limited to six battleships of the Deutschland type, six light cruisers, 12 destroyers and 12 torpedo boats.

To replenish the fleet units, new vessels will not exceed 10,000 tons,

### A Friend Recommended Them

A person often does more good than he realizes when he tells a suffering friend how to get well. J. N. Tohill, clerk Lottie Hotel, Evansville, Ind., writes: "For weeks I suffered constantly with pains in the muscles of my thigh. I was treated by the doctor for rheumatism but found no relief. Upon recommendation of a friend, I tried Foley Kidney Pills and began to get relief almost immediately." Good for backache, rheumatic pains, stiff joints, sore muscles. F. B. Johnson. (Adv.)

for armed ships, 5,000 tons, for light cruisers, 800 tons for destroyers and 200 tons for torpedo boats. Except when ships are lost no battle-ships or cruisers may be replaced until twenty years old. Destroyers and torpedo boats must be 15 years old. The personnel of the navy will be limited to 15,000, including 1,500 officers.

Warships now being constructed will be broken up under supervision of the allies. All auxiliary cruisers will be disarmed and returned to the status of merchant ships. All submarines will be surrendered. Construction of submarines for either war or commercial purposes is forbidden.

Fortifications commanding access to the Baltic will be demolished.

### Aerial

No military air force will be allowed except 100 seaplanes, which will be used for destruction of mines, until October 1.

No airbase will be permitted within 93 miles of the western or eastern frontier or within 93 miles of the Italian or Czech-Slovak boundaries.

The allies retain the right of free aerial passages over any German territory until completely evacuated of the allied troops. All military aviation material will be surrendered.

## Days Pickings

Mrs. Guy Abercrombie is ill at her home North Perkins street of laryngitis.

Tom Younger is confined to his home in North Arthur street with a severe cold.

Mrs. Will Meredith is suffering with the influenza at her home in North Morgan street.

Mrs. Walter Hubbard is recovering from an attack of the influenza at her home in Second street.

John Kelly is ill at his home in North Sexton street suffering from an attack of acute indigestion.

Mrs. John W. Davis of Milroy is reported to be seriously ill, but her condition today was said to be slightly improved.

Albert Bright of this city is suffering with the influenza at Shelbyville, according to word received here. He was there on a visit when he fell sick.

William Lewark was taken suddenly ill Thursday while down in town and was removed to his home in North Sexton street where he has been seriously ill since.

There will be Sunday school at the United Brethren church tomorrow morning at 9:30 and preaching services at 10:30 a. m. and 7:30 p. m. by the pastor Emma Miller.

The flag pole which for the past two years has stood in Main street of Milroy was removed yesterday. It was feared by citizens that the pole would damage nearby buildings as it was in danger of being blown over, having stood there for two years. A part of the pole will be saved as a souvenir of the war.

## News of Colored Citizens

The Modern Priscilla club met this week at the residence of Mrs. E. W. S. Hammonds. After needlework was laid aside, part of the missionary work planned was to make a garment at Wilberforce University, being educated by the State Federation of Colored Women's clubs of which this club is a part. The first lesson in French was also given by Mrs. Hammonds who was of French descent.

### FATHER LYONS TO SPEAK

Rev. Father Lyons of this city will be one of the speakers at a K. of C. meeting Sunday night which will be held at the St. Mary's school hall in Greensburg. The meeting being held is in the interest of the K. of C. membership drive and is expected to be well attended.

### HEAVY INFLUENZA TOLL

Jasper, Ind., Mar. 22.—Three members of the family of George Greive, of near Celestine, eight miles east of Jasper, the mother and two sons died this week of influenza, while the father and five other children are ill of the malady.

A shoal of herrings is often five or six miles in length and two or three in breadth.

## A Queer Old Bird is The Pelican

Its bill holds more than its bellican.

But at that, its heart is bigger than its bill. It is the only bird which shares its food with other and weaker fowl.

So the queer old pelican looms up handsome in Goodrich's eyes—eyes which see beauty that is more than skin deep.

Goodrich, it is true, makes Silvertown Cords the handsomest tires—the very Beau Brummel tires of smart cars.

Yet if clumsiness and ugliness would add one mile to their service, Goodrich would make them clumsy and ugly as the queer old pelican.

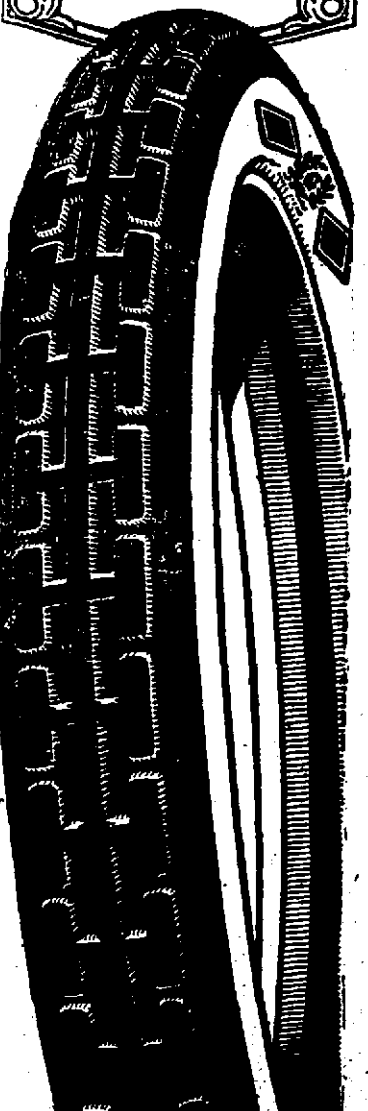

"Quality First" rules in the manufacture of Silvertowns; and they render quality service first and last.

Give your automobile the obvious grace and elegance of the Tires with the Twin Red Diamonds on the sidewall. Their mileage is sure.

Buy Goodrich Tires from a Dealer

#### Beans to The Rescue.

Beans—plenty of them at prices much lower than last year—are ready to replace higher priced foods in America's meals. Only last year the cartoonists were having fun with the humble bean, for it, too, was skyrocketing in price, but today it's down—way down below last year's prices, and there's joy in other places than Boston.

Reports on bean prices from the bureau of markets, department of agriculture, show that beans have dropped 3 to 7 cents a pound at wholesale since March last year, and in California growers are saying that they will not sell if beans go any lower at shipping points. Plentiful supplies are reported in producing sections, and retailers are already selling beans at reduced prices in many cities.

If folks are really going to swat Old-Man H. C. L. with low-priced beans, officials say, it will result in the use of more catsup and chili sauce—which means more tomatoes and peppers, although some prefer 'em with molasses and other with vinegar. Of course, "Boston baked" will come into its own.

It is always possible to arouse a

discussion over baked beans, for some like them fairly dry, while other like them moist; some like molasses in the and some do not. Each family should try different kinds and then stick to the one it likes best.

#### Amputations Due to War.

According to official advices, the total of "major amputation cases" in the United States forces to date is 3,034, of which 2,308 are arm and leg cases; and of these approximately 600 are arm amputations, and 1,708 are leg amputations. The remaining 726 are hands, feet, and two or more fingers. Not all of these men require special training to enable them to make a living, the Federal Board for Vocational Education points out; in fact the percentage is smaller than one would imagine. A lawyer, doctor, draftsman, bookkeeper, dentist, stenographer, office man or salesman is not necessarily affected unfavorably in making a living by reason of have lost a leg; but the loss of an arm may be a very serious matter.

Those who in the main require re-education on account of leg or arm amputation are farmers, artisans whose trade required great activity, such as carpenters, teamsters, structural iron workers and the like. There are no hard and fast rules, and cannot be, for each case must be judged on its own merits, as for instance, that of a professional violinist, who, having lost a finger joint of his left hand, found his occupation utterly gone and had to learn to do something else for a living.

The congressional committee which drafts the revenue law evidently had no kids of their own and no sympathy with other people's kids. They laid a tax upon athletic goods without regard to the fact that 70 percent of baseball bats, catchers' masks and mitts and athletic goods of every description are bought by boys under eighteen.

Americans have always been noted for their generosity. If there is any barley flour left in this country, and it were proposed to ship it to the Germans, there would not be a dissenting voice.

When your son comes home from the army, don't on any account offer him corned beef. Presumably he will be grateful for it, but you won't in the least like the form his gratitude takes.

It is understood that to "watch the clock" is a bad habit. But we have not observed that the public displays any reluctance to watch

#### FINE FOR RHEUMATISM!

**Musterole Loosens Up Those Stiff Joints—Drives Out Pain**

You'll know why thousands use Musterole once you experience the glad relief it gives.

Get a jar at once from the nearest drug store. It is a clean, white ointment, made with the oil of mustard. Better than a mustard plaster and does not blister. Brings ease and comfort while it is being rubbed on!

Musterole is recommended by many doctors and nurses. Millions of jars are used annually for bronchitis, croup, stiff neck, asthma, neuralgia, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds of the chest (it often prevents pneumonia). 30c and 60c jars; hospital size \$2.50

#### Sap and Salt

By BERT MOSES

Women talk about each other; men about themselves.

Try this: Find out what you don't want and then leave it alone.

What is finer than the joy you get out of honest work for an honest pay?

A great man is one who lives miles and miles away. Small men live close by.

Hez Heck says: "Standards are sometimes raised by raising hell, and then again they ain't."

Camouflage is the art of packing rabbit meat in tin cans and labeling them "boneless chicken."

There is always this consolation in sickness: When you get well again you appreciate good health at its full value.

the clocks on the fashionable hosiery.

Repeat to yourself twenty consecutive times, "The good man loves to pay his income tax". The effect may possibly be to place you in a more resigned frame of mind.

One of the strongest arguments in favor of the city home vegetables garden movement is that it provides the right kind of exercise and recreation for business people whose life is spent largely in doors. A short time each day spent in the cultivation of a garden has a tendency to give the mind relaxation and the muscles healthful exercise.

A hoe and a rake cost less than a golf outfit, and a ninehole garden course can be laid in any average city back yard.

The trouble with a great many American people, it is claimed, is that they have been so busy with other things that they have forgotten how to play. They rush to business in the morning and in the evening they drag their brain-fagged bodies home to seek rest in still more strenuous amusements. A well-kept garden is a playground for old and young alike, and happy is the man who spades his own back yard and plants therein a garden.

#### MRS. CECIL LINDER IS DEAD

Expires of Double Pneumonia West of Sexton Friday Night

Mrs. Cecil Linder, age 29 years, died at her home on the Harry McManus farm west of Sexton, last evening of double pneumonia. She is survived by her husband: two daughters, Catherine and Thelma; one son, Edmund; one brother, Clarence Rollen, who is with the American Expeditionary Forces in France, and her father, Dan Rollen. She is also survived by four half-sisters.

The funeral services will be held Monday morning at 10:30 o'clock at the Sexton's Christian church and burial will take place in Knights-town. The Rev. G. I. Hoover will have charge of the services.

#### CELEBRATE ANNIVERSARY.

Berkeley, Cal., Mar. 22—The 51 anniversary of the founding of the University of California was celebrated today by alumni meetings in all parts of the world. "Glands-round-the-world" banquets were served in American cities as well as by alumni with the A. E. F. in Coblenz, Germany, Paris, London and Vladivostok.

Canada's pulp and paper exports lead all manufacturing industries, except that of explosives.

## New Lumber Yard At MAYS

We are installing a complete building material supply yard at Mays and take this means of calling the attention of the citizens of the adjacent territory to this fact.

OUR MANAGER, MR. MILTON W. OSBORNE  
is in position to furnish

### Everything to Build Anything

He will have the advantage over the average small town yard, owing to the fact that he has direct connection with a parent yard, carrying a complete line, full stocks and equipped with a first class planing mill.

We also call attention to WIRE FENCE AND POSTS—  
Special prices on these lines.

## Pinnell-Tompkins Lumber Co.

### VICTORY DAY IS TO BE CELEBRATED HERE

No Appeal Will be Made For Money as First Presbyterians Take Care of Their Apportionment

#### PART OF NEW ERA CAMPAIGN

Victory day will be observed in special services at the First Presbyterian church tomorrow. This is the day set apart for the raising of the first year's apportionment of the two hundred million dollars fund on a five year basis to be used for the pushing of Presbyterianism throughout the world, in connection with the New Era movement.

No appeal will be made for money in the local church tomorrow, as the local New Era cabinet, consisting of Frank Reynolds, chairman; S. L. Trabue, vice-chairman; Ralph Payne, group leader chairman; B. O. Simpson, publicity, secretary, J. L. Cowing, stewardship leader; Mrs. Jesse Bennett, secretary benevolent education; and Mrs. Chas Liddle, chairman woman's work, have reported the apportionment for this church already accounted for here.

On account of this, and the fact that the reports coming in to Dr. Ira Lambert, who represents the national and state committee, in this part of Indiana, indicate that the fund will go far over the amount asked for, the services here will be in the nature of a celebration, rather than an appeal.

The churches from over this district are asked to telegraph their amounts pledged to Rev. Lambert, Presbyterian chairman, on Sunday night, the result will be watched with much interest by the local church.

#### PARADE CLOSING SHOW

The first co-operative automobile show ever conducted by Rushville dealers closed yesterday evening at five o'clock when the cars on exhibit were taken from the Modern Appliance building and driven in a parade over the streets of the city. Thirty new cars were in the parade.

#### She Grows Nervous at Nightfall

More dreaded than an alarm of fire by night is the hoarse, brassy cough of croup to the nervous mother who fears this terror of childhood. Why worry, when a few timely doses of Foley's Honey and Tar will ward-off croup and clear the throat of choking phlegm. It will give you confidence to face nightfall without fear of croup. Mrs. Ben Meyerink, Clymer, N. Y., says: "Our little girl would surely have had croup but Foley's Honey and Tar stopped it at once." F. B. Johnson.—(Adv.)

NEW SALEM, IND.

## Janesville Tandem Disk Harrow

THE Budlong Harrow is the only harrow we know of in which the bearings do not cramp while the machine is working. This freedom in the bearings means light draft and flexibility in the whole harrow. This allows the Budlong to make use, in a natural way, of all of its penetrating qualities to thoroughly pulverize the soil under the most trying conditions.

The rear harrow is built like a bridge and no manner of hard work will ever force this harrow to buckle in the middle.

**Its Backbone Is as Rigid as a Concrete Arch**

The trailer steadily holds its place back of the Budlong, whether used on side hills or on the level, on account of the way it is attached to the front harrow.

The same material used in all Janesville machines is found in the Janesville Tandem. Made in sizes from four to ten feet with sixteen-inch blades.

We looked them all over and felt our trade and local conditions would be best served by this Janesville model. Compare notes with us before you buy.

### County News

#### New Salem

Miss Lula Brown and Orville Ponsler were the Sunday evening guests of Mr. and Mrs. Bert West.

The Misses Dorothy Logan, Florence Carney, Mildred Wilson, Margaret Fisher and Leland Hunt were the guests of Rema May Norris, Tuesday evening.

Mrs. Harriet Bever will move in with Mrs. Laura Colvin in the near future. Mr. and Mrs. Henry Miller who formerly lived at Napoleon, will move in the property vacated by Mrs. Bever.

Miss Eva Mercer and Earl Vogle were the Sunday evening guests of Mr. and Mrs. Herbert Holden.

The illustrated art lecture given by Mr. Damron at the auditorium Friday evening was very well attended. The Daggy concert company will give the next number Saturday night. This concert company comes highly recommended and all are urged to be present.

Mr. and Mrs. Charles Wilson delightfully entertained Mrs. Margaret Morton, Miss Ruby Snyder, Miss Marie Seegars and Mr. and Mrs. Donald Wilson and son Deloris Friday evening with a six o'clock dinner.

Corporal F. O. Spacey, who was formerly stationed at Quantico, Va., visited friends and relatives here Tuesday and Wednesday. For the

### SAVED BY A FAITHFUL WIFE

Suffered Thirty Years With Stomach Trouble and Hemorrhages of the Bowels.

The Story of a Wonderful Recovery

There is hardly any one who does not experience some trouble with the stomach. It is so common that we frequently pay little or no attention to it. Yet, the stomach is very easily upset, and catarrhal inflammation of the mucous lining develops, grows, worse—the pain and distress is incessant and the truth dawns that we have chronic stomach trouble.

The case of Mr. Louis Young, 205 Merrimac St., Rochester, N. Y., is typical. He writes: "I suffered for thirty years with chronic bowel trouble, stomach trouble and hemorrhages of the bowels. We bought a bottle of Peruna and I took it faithfully. I began to feel better. My wife persuaded me to continue and I did for some time as directed. Now I am a well man." Mr. Young's experience is not unusual.

If you suffer from catarrh in any form, whether of the head, stomach, bowels or any other part of the body, try Peruna. It may be just what you need. Peruna comes in either liquid or tablet form and is sold everywhere. Your dealer has it or will get it for you. Ask for Dr. Hartman's World-Famous Peruna Tonic and insist upon having it. If you want your health accept nothing else.

All the sick and suffering are invited to write The Peruna Company, Dept. 78, Columbus, Ohio, for Dr. Hartman's Health Book. The book is free and may help you. Ask your dealer for a Peruna Almanac.

### Public Sale

I will offer at Public Auction at Milroy

At One O'clock P. M.

The D. A. R. will meet next Thursday afternoon, March 27, at the home of Emma Casady, 532 North Morgan street.

The Rebekahs will give a social at the I. O. O. F. hall Monday evening. All Odd Fellows and their families are welcome.

Mr. and Mrs. John Dewester of near this city had as their dinner guests yesterday Mr. and Mrs. Charles Inlow of Homer.

Mr. and Mrs. Claude Spillman were delightfully surprised Thursday evening by a number of their friends at their new home near Milroy. A delicious pitch-in supper was

served to the guests and the remainder of the evening was enjoyed with music and a social time.

Mrs. J. C. Sexton will be hostess for the Monday Afternoon Five Hundred club Monday afternoon at her home, corner of Fifth and Main streets.

The members of the Mahoning Council, No. 36, met last evening in their hall for degree work, after which a delicious pitch-in supper was served and the remainder of the evening was spent socially.

The members of the Sexton C. W. B. M. entertained their families last evening at the home of Mr. and Mrs. Fred Plessinger with a pitch-in supper. About thirty guests were present to enjoy the evening socially and with music.

Mr. and Mrs. Clarence Lord, of near Dunrieth delightfully entertained a number of their friends with a delicious two course supper Thursday evening. Those present were Mr. and Mrs. Wayne Addison of near Mays, Mr. and Mrs. Fred Reddick and daughter of Raleigh, Mr. and Mrs. Clyde Owens and Mr. and Mrs. Walter Lord of near Dunrieth. The evening was spent socially.

Mrs. John H. Frazee entertained the members of the Happy-Go-Lucky club and several guests yesterday afternoon at her home in North Harrison street with a two course luncheon. The rooms were beautifully decorated with spring flowers and the dining table was centered with a large cluster of yellow jonquils. Covers were laid for the members of the club and the following guests: Mrs. Helm Woodward and son of Cincinnati, Mrs. Will Amos, Miss Helen Norris, Mrs. Albert Allen, Mrs. George C. Wyatt, Mrs. Earl C. Moore, Mrs. L. E. Brown, Mrs. Walter E. Frazee, Mrs. Charles Offutt and son and Mrs. Benjamin Humes and son. The remainder of the afternoon was spent over various kinds of needlework.

More than six hundred people enjoyed the dance at the Modern Appliance building in West Third street last night, which was the closing event of the first co-operative automobile show ever held here.

**\$150.00 EACH FOR WEANLING MULES!**

Five of my patron's mules sold for \$150 each last fall. One horse mule sold for \$135. I have the sound, pure-bred John II, registered 9176, enrolled 5472, the Bartlett jack. Also the sound, pure-bred Hickory Jim, registered 14693, enrolled 12859a, a genuine Missouri mammoth. One-half mile south of Milroy — Fee, \$15.00. DR. FRANCIS.

big majority of those attending the dance enjoyed it as dancers and the remainder as spectators. The big floor was crowded all evening, and the immense crowd in attendance, together with the spirited music of the five-piece orchestra from Franklin, made the event a crowning success and one of the most popular ever held here. The decorations for the show were left in the building until after the dance. Scores of visitors were here from cities all over this section of the state, and every part of Rush county was represented by the guests. The official figures on the attendance reveal that three hundred and fifty persons enjoyed the dancing, and that more than two hundred and fifty were spectators.

It was announced last night that another dance would be held at the same place April 1st.

### BETTER ORGANIZATION OF IND. WOMEN URGED

Women's Franchise League of the Twelfth District Holds a Convention Today.

MRS. C. G. BOWERS PRESIDES

Fort Wayne, Mar. 22—Greater organization of Indiana women was to be urged at the convention of the Women's Franchise League of the twelfth district here today.

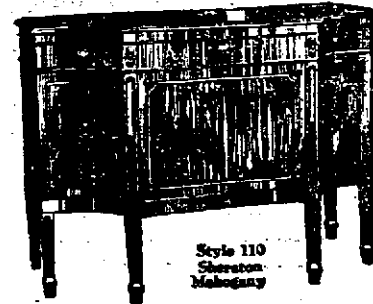

Mrs. Claude G. Bowers, district chairman presided.

Satisfaction with the results of similar meetings being held throughout the state was expressed by speakers. State officers were to attend the meeting. The theme of the meeting was that the women should work in more harmony at least until they fully enfranchised.

The seventy-first general assembly was complimented on its attitude toward woman suffrage in passing the presidential suffrage bill and in initiating the proposed constitutional amendment granting women full suffrage.

**STOLEN CAR FOUND**

A five passenger automobile belonging to George B. Moore, Jr., clerk of the circuit court, was stolen last night and found about an hour later by Mr. Moore's son, Otto Moore, at the corner of Third and Perkins streets. It had been left standing on the west side of the court house. The automobile evidently had been taken by joyriders.

**Gladys Leslie at Princess**

"The Beloved Imposter," featuring Gladys Leslie, is being shown at the Princess theatre tonight. "The Village Chestnut," a Mack Sennett comedy, is also on the program. Monday Ethel Clayton in "The Mystery Girl," and Tuesday Dorothy Dalton in "Quicksands," will be the attractions.

## Na-tu-ra

A Safe and efficient remedy for all forms of Catarrh and Stomach Trouble. Contains no Narcotics, Opiates or Minerals. No drug appetite formed by the use of it.

**NATURA TREATS THE CAUSE—IT'S NATURE'S WAY**  
Mrs. U. F. Hembrick, 659 South Columbia St., Frankfort, Ind., says: "I am well of stomach trouble and headache. I had been in very poor health for the past five years, caused from systemic catarrh. I had stomach trouble, kidney trouble and almost continuous headaches, was very nervous and was very constipated. I could scarcely eat anything that my stomach did not hurt me. I have been using Natura now for two months and I am in fine health. I am well of stomach trouble and headache. Kidneys acting fine; I sleep and rest well."

**NATURA IS A FINE MEDICINE.**

## STORY SOLDIER TOLD FOUND TO BE UNTRUE

Investigation Discloses John W. Deerin of Noble Township Was Not at Camp McClellan, Ala.

### KILLED IN ACTION IN AUGUST

A few weeks ago an ad appeared in the Daily Republican asking for the soldier who reported that John W. Deerin of Noble township, who was reported as killed in action last August, was in a hospital at Camp McClellan, Alabama. Walter Shockley of West Third street was found to be the one who asserted that he had seen Deerin in the hospital when he was confined there with the measles.

As soon as this was reported, an effort was made on the part of relatives and friends to ascertain the truth of the statement. Today a reply was received from a registered letter written to the Y. M. C. A. secretary who stated that he had made a careful investigation at the camp and hospital and John W. Deerin was not there at the present time and there was no record of his having been there. A letter was also returned to a friend this week which had been forwarded to Deerin before the news of his death was received. The letter was unopened and on the outside were these words, "Killed in action in August." It follows then that it must be an established fact that Deerin was killed at this time. No motive can be found for anyone to return and tell such a story as was told by Shockley.

### MEET TO CONSIDER COUNTY ROAD LAW

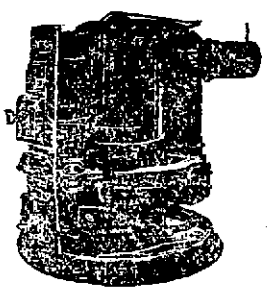

Continued from Page One  
commissioners will take towards the new law, but it is known that they are very favorable to permanent road improvement. It is pointed out that the sum available under the county unit law this year, \$480,000, which is two percent of the appraised value of the property of the county, would build this road. Next year twice as much will be available if property valuations for

## If You Need a New Heating System, for You To Save \$10 to \$30 Requires Immediate Attention

We know that every Round Oak Moistair Heating System sold, means a satisfied customer—one who invariably goes out of his way to tell his neighbors and friends of the super-service rendered. It is the best advertising in the World.

We are selling this Lifetime Heating System at the lowest possible price. With your co-operation during the 10-day period, of which

### 5 Star Points of Round Oak Supremacy

- ★ **HEALTH** Patented, automatic humidifier, keeps the family more healthy. Prevents furniture from drying out.
- ★ **COMFORT** Circulates balmy, warm, moist air, permanently free from dust, gas and smoke.
- ★ **ECONOMY** Long, indirect heat, powerful radiation of heat; deeper fire pot, improved efficient hot blast, and oversize combustion chamber combined; guarantee most perfect combustion with maximum heat from minimum fuel.
- ★ **CONVENIENCE** Single later conveniently located. Controls entire system. Large scumblers ash pit fitted with sprinkler, prevents dust. Easy to operate. Burns all fuels.
- ★ **DURABILITY** All iron is chemically and physically tested thousands in use, many for more than thirty years, prove conclusively Round Oak Super-Service.

### The Last Day is March 29th

we have been able to offer a saving of 5% on the cost of the heating system installed complete. By buying heating systems, registers and fittings in quantity, by reducing selling cost by having enough work ahead to keep our men busy ALL the time, you save us at least 5%, which means from \$10 to \$30 on the job, according to the size. There is also an added fuel saving each and every year in the purchase of a

### ROUND OAK Moistair Heating System

The Only Heating System That Automatically Ventilates and Humidifies

What it saves in fuel cost, because of its improved construction, extra weight and patented features, will pay back in a very few years, the difference in price between this and a medium priced system, which could not possibly suit you.

As soon as installed you will increase the value of your property more than the amount invested in its purchase.

We want to tell you all about this heating system. We have a large illustrated 9 x 12 Moistair book that describes it fully. It's free to you. Ask, write or phone for it.

Better still, come down to the store and let us explain from the system itself, its distinctive advantages, also outline to you wherein it will serve you best.

**Remember, Closing Day  
is March 29th**

taxation purposes are doubled, as expected.

One of the main points under discussion at the conference today was the relation of the new county law to the old road-mile road law. Attorneys are wondering which will apply since the new act specifically states that sections 63 to 81, inclusive, of the three-mile road law are not repealed, leaving this act practically in effect and making a duplication in the road laws.

The county unit law sets out in the first section that county commissioners of each county are authorized and empowered to locate, establish, widen, change construct, reconstruct and improve, maintain and repair all public highways, bridges and culverts under the supervision of the state highway commission or federal highway commission if approved by such commissions.

Section two of the law provides that after passage of the act all public highways, bridges or culverts in the counties of the state shall be under the supervision, management and control of the board of commissioners. The duties previously performed by the township trustees are to be performed by the commissioners and all unexpended money of the township road fund or levies therefor shall be immediately certified by the township trustees to the county auditor and transferred by him to the free gravel road maintenance and repair fund.

Under the provisions of the new law, whenever a petition signed by fifty or more freeholders and voters of the county praying that any public highway or highways shall be laid out, established, changed or widened and improved by grading, draining, resurfacing or paving with gravel, stone, brick or concrete, bitumen or other road paving materials, or that any public highway or highways or any part of any public highway already established be graded, drained or improved, the commissioners must give notice by publication of the petition and the auditor will set a date for the hearing of the same.

On the day of hearing any tax-

Some companies are now advertising and featuring what is known as period designs in phonograph cabinets. They list them at prices from \$215 to \$2500. The beauty of this Louis XV cabinet cannot be described in words or shown in cuts. It is necessary to see this at once to fully appreciate.

## WOLCOTT'S DRUG STORE

payer may object to the sufficiency of the petition and the petitioners have the right to amend the petition. But if the petition is found to be sufficient, the commissioners then order the petition spread of record and refer the matter to the county engineer. The law provides that the commissioners shall act as viewers of the proposed road or improvement and determine whether the improvement would be a public utility and the necessity for constructing bridges and the width of the highway and also determine on the material to be used in paving.

Within ten days after the commissioners file their report on the proposed county highway, any taxpayer of the county affected may remonstrate against the improvement. In trying the remonstrance, if more than one appears, the commissioners shall consolidate and try them as one. The usual appeal to the circuit court is provided for. Under the three-mile road law, the county establishes the road levy and pays the bonded indebtedness, but the levy is credited to each individual township, while under the new law all of the townships of the county pay for the highways. The law provides that roads established under this act shall become a part of the county highway system and be kept in repair under the laws now governing their upkeep. The new law fixes the bonded indebtedness at 2 per cent of the total assessed valuation.
